

## Birthday Party - Info Package

What better way to celebrate a birthday than to spend it dancing? We offer a fun party experience for both boys and girls ages 3+. The children will learn basic Hip Hop skills, practice teamwork, and play dance games to train their rhythm and coordination! Birthday parties are led by our most fun and energetic Hip Hop dance coaches and are great for all skill levels.

All students will be required to complete a fully signed waiver form by their parent or legal guardian. Waiver forms for all children must be completed and sent back to us via email no later than 2 (two) full business days prior to the event.
